

## **Bio-Data of Anupama B.Pandit**

Born on 19<sup>th</sup> April ,1974 at Mysuru to Vanaja and Bharadwaj Srikanta Pandit as their second child, Anupama is presently serving at Geetha Shishu Shikshana Sangha's GSSS IETW, Mysuru as Administrative Officer. Married to R.K.Bharath for the past 25 years she is the proud mother of a Software Engineer son Varun Kaustubh.B and an aspiring legal executive daughter Nimisha Bharath.

Trained in light, devotional and carnatic classical music has worked as Radio Jock for 93.5 RED FM ,Mysuru at its inception. Interests include reading classics, best sellers, books on philosophy and self improvement. An avid singer, bird watcher, trekker and traveler. Love to cook and appreciate art and beauty in all things around. Wish to enrich this rare gift of life by travelling to naturally beautiful parts on planet earth.

With a Bachelors degree in Physics, Maths and Computer Science and a Master's degree in Information Technology obtained in the year 2006, she started her professional life as lecturer in Computer Science at SBRR Mahajana PU College. After serving there for almost four years, she took up the offer to serve GSSS IETW ,as Assistant Administrative Officer in the year 2010. Training under the CEO while learning the ropes of administration was not only challenging but very inspiring

From admissions to accounting and hostels to transportation apart from purchase and stocks and employee welfare and student welfare- the learning and implementation was incessant. With additional responsibilities of the school campus and degree college campus the challenges have become bigger. The main task of keeping the vision and values held by the founder Prof Pandit intact wrests with her. Key areas of contribution include development of hostel system, expansion of transport department, modernizing student database management.

At the school level, if procuring the Atal Tinkering Lab was a major milestone, drawing out strategies to improve board exam results at the 10<sup>th</sup> and 12<sup>th</sup> class level was a major success story. The vision to provide the city of Mysuru with the best college for commerce, management and computer applications courses the bold decision to shift the degree college from a constrained space to a spacious green campus was approved by the management in 2019. Unique and first of its kind add on courses like GST for commerce and AI and robotics courses for BCA students was conceptualized.
